Aya Siam

Customer Success Division Lead, DataScience Middle East

■ Giza, Egypt

LinkedIn: <https://www.linkedin.com/in/ayasiam/>

CAREER HISTORY

- Senior Customer Success Account Manager, Microsoft (Middle East & Africa)
- Audience Evangelism Manager, Microsoft
- Manager of Audience Marketing, Microsoft
- Software Asset Management Consultant, Microsoft

PROFILE

Aya Siam has 11+ years in enterprise technology customer success, spending the bulk of her career at Microsoft in the Middle East & Africa region across account management, audience marketing, and software asset management roles. She now leads the Customer Success division at DataScience Middle East, a Cairo/Dubai-based data analytics and information management firm serving governments, financial services, and telcos across MENA. Her profile shows no evident connection to AI governance, supply chain tech, formal verification, agentic engineering, or Lean — her value is in enterprise relationship management and regional go-to-market execution.

VERIFICATION

Identity: **CONFIRMED**

Identity appears real with multiple corroborating sources. LinkedIn profile at <https://www.linkedin.com/in/ayasiam/> is confirmed active and matches 'Aya Siam - Customer Success Manager - DataScience Middle East'. ZoomInfo independently lists her at <https://www.zoominfo.com/p/Aya-Siam/5211754230> w...

GAPS & NEXT STEPS

- No GitHub profile found
- No personal website found
- Exact tenure dates at DataScience Middle East vs Microsoft not confirmed from public sources
- Scope of 'division lead' role (team size, revenue responsibility) unknown

Next step: Full LinkedIn profile with role dates and descriptions to confirm current scope and assess whether her CS work touches AI/data governance specifically

Srikanth Mallavarapu

Director of Client Success, o9 Solutions

■ Bengaluru, India

LinkedIn: <https://www.linkedin.com/in/srikanthmallavarapu/>

CAREER HISTORY

- Production Planning & Inventory Optimization (prior, 7+ years)

PROFILE

Srikanth Mallavarapu is a Bengaluru-based supply chain professional with 18+ years of experience spanning operations management, production planning, and industrial engineering, including 7 years implementing end-to-end AI-powered supply chain solutions for Fortune 500 firms via o9 Solutions. He holds the CII SCMPPro certification (jointly issued by CII Institute of Logistics and IIT Madras), reflecting deep domain credentialing in supply chain management. His work at o9 Solutions — a Gartner Customers' Choice platform for supply chain planning — positions him at the intersection of enterprise AI deployment and client success in complex global supply chains, though his profile shows no public footprint in AI governance, formal verification, or agentic engineering.

VERIFICATION

Identity: **CONFIRMED**

The claimed LinkedIn URL (<https://www.linkedin.com/in/srikanthmallavarapu/>) resolves to a real, active profile for a supply chain professional currently at o9 Solutions, Inc. in Bengaluru with 18+ years of experience and 500+ connections. No fabrication indicators found for this specific profile....

GAPS & NEXT STEPS

- No GitHub, personal website, or technical blog found
- No conference speaking or publication record confirmed
- Prior employer history before o9 Solutions not surfaced
- Education details (degree, year) beyond 'Bangalore University' not confirmed

Next step: Confirmation of a unique identifier (e.g., employee number, specific project reference, or second corroborating source beyond LinkedIn) to rule out name collision with the Roanoke College / ICICI Bank namesakes

Bassel AlOmari, Ph.D.

Expert Customer Success Manager - SAP BTP Solution EMEA, SAP

■ Riyadh, Saudi Arabia

LinkedIn: <https://www.linkedin.com/in/balomari/>

Twitter: https://twitter.com/bassel_alomari

CAREER HISTORY

- Strategic Sales Executive - Consumer/Wholesale/Life Sciences, SAP Saudi Arabia

PROFILE

Bassel AlOmari holds a Ph.D. and has 18+ years of enterprise IT leadership at SAP, currently serving as Expert Customer Success Manager for SAP BTP across EMEA South. He was a key driver of RISE with SAP digital transformation deployments across Egypt, Bahrain, and KSA from 2021 onward, acting as SPOC for sustainability and platform adoption initiatives. His profile shows no direct signals in AI governance, formal verification, agentic engineering, or Lean — his domain is enterprise cloud transformation and SAP platform adoption at scale.

VERIFICATION

Identity: **CONFIRMED**

The LinkedIn URL <https://www.linkedin.com/in/balomari/> resolves to a real, active profile: Bassel AlOmari Ph.D., Expert Customer Success Manager at SAP BTP EMEA, 18+ years IT industry experience, active in MENA/EMEA South (Egypt, Bahrain, KSA). No evidence of abandonment or fakery. HOWEVER, there...

GAPS & NEXT STEPS

- Ph.D. field and institution unknown — doctorate confirmed by title but discipline not surfaced
- GitHub account github.com/BaselOmari uses slightly different spelling (Basel vs Bassel) — identity match unconfirmed
- Full career history prior to SAP not surfaced — only SAP roles visible
- No publications, conference talks, or technical writing found

Next step: Ph.D. institution and field — would confirm academic depth and potentially reveal supply chain or AI relevance hidden under the customer success title

Sri Chaithanya Edupalli

Director, Delivery at o9 Solutions

■ London, United Kingdom

LinkedIn: <https://www.linkedin.com/in/sri-chaithanya-edupalli-scm/>

CAREER HISTORY

- Consultant at EY (Supply Chain)

PROFILE

Sri Chaithanya Edupalli is a Director of Delivery at o9 Solutions, a leading enterprise supply chain AI planning platform, based in London. He previously held supply chain consulting roles at EY and is an Indian School of Business alumnus. His work focuses on complex multi-country supply chain AI deployments for large enterprise clients, with noted strengths in partner enablement, project management training, and communicating technical complexity to stakeholders.

VERIFICATION

Identity: **CONFIRMED**

Identity appears genuine and well-corroborated. Evidence supporting legitimacy: (1) LinkedIn profile (<https://www.linkedin.com/in/sri-chaithanya-edupalli-scm/>) is independently confirmed by The Org (<https://theorg.com/org/o9-solutions/org-chart/sri-chaithanya-edupalli>) as Director, Delivery at o9...

GAPS & NEXT STEPS

- Exact tenure dates at o9 Solutions and EY unconfirmed
- Accenture role mentioned in one source but not corroborated — possible AI summary hallucination
- No evidence of technical depth in AI governance, formal verification, or agentic engineering
- Undergraduate degree and institution unknown

Next step: Full LinkedIn profile access to confirm role history chronology and scope of AI/ML involvement in supply chain deployments

Bichr Jabase

Senior Customer Success Manager, project44

■ France (inferred from fr.linkedin.com subdomain and European client base)

LinkedIn: <https://www.linkedin.com/in/bichr-jabase-b2b542101/>

CAREER HISTORY

- Employee, DSV Global Transport and Logistics (prior)

PROFILE

Bichr Jabase is a Senior Customer Success Manager at project44, a real-time supply chain visibility platform tracking 1B+ shipments globally. He has managed major enterprise accounts including Continental and Pernod Ricard, driving measurable outcomes such as a shift from manual tracking to proactive real-time visibility and 3 hours/week saved per planner. He has spoken at industry events (Decision44 Amsterdam) on yard visibility and expressed a measured, operationally-grounded view of AI adoption in freight — 'the future belongs not to the loudest adopters of AI, but to the most operationally grounded users of it.'

VERIFICATION

Identity: **CONFIRMED**

Identity is well-corroborated. The LinkedIn URL (<https://fr.linkedin.com/in/bichr-jabase-b2b542101/en>) resolves to a real, active profile for Bichr Jabase at project44 in Lyon, France. The profile is independently confirmed by a project44 company blog post (<https://www.project44.com/blog/exciting...>

GAPS & NEXT STEPS

- Exact city/country of residence not confirmed
- Full career history before DSV and project44 not found
- Educational background unknown
- Duration at DSV and specific role title there not confirmed

Next step: LinkedIn full profile content (roles, dates, education) to confirm career trajectory and assess depth of technical vs. commercial background

Imad Amer

Enterprise Customer Success Manager - Middle East & Africa, Schneider Electric

■ Dubai, UAE

LinkedIn: <https://www.linkedin.com/in/imad-amer-8627116b/>

CAREER HISTORY

- Strategic Marketing (prior, MEA region — details unconfirmed)

PROFILE

Imad Amer is an Enterprise Customer Success Manager at Schneider Electric covering the Middle East and Africa, specialising in enterprise industrial software deployments (EcoStruxure IT DCIM) and AI-ready data centre infrastructure. He runs enablement sessions for the NEAL cluster and attended LEAP 2025 in Riyadh representing Schneider Electric's AI infrastructure push across Gulf and African enterprise accounts. His background spans enterprise customer success and strategic marketing in the MEA region; no overlap with AI governance, formal verification, or supply chain tech was found.

VERIFICATION

Identity: **CONFIRMED**

The LinkedIn profile at <https://www.linkedin.com/in/imad-amer-8627116b/> is confirmed to exist and belongs to a real person: an Enterprise Customer Success Manager for Middle East & Africa, associated with Schneider Electric (EcoStruxure IT). The profile appears active and legitimate — no signs of...

GAPS & NEXT STEPS

- Education details (Girne American University referenced but degree/field/year unconfirmed)
- Previous roles before Schneider Electric — career history prior to current role not publicly visible
- No GitHub or personal website found
- No evidence of involvement in AI governance, formal verification, agentic engineering, or Lean

Next step: LinkedIn full profile content (work history, education, certifications) — would confirm career trajectory and whether any prior roles touch supply chain tech or AI governance

Karani Ramalingam

Customer Success Manager, ITOregon (current) — enterprise SCM accounts across Americas, Europe, Middle East; platforms: UCBOS, Oracle Cloud Fusion SCM, Manhattan Associates

■ India (likely; RMK Engineering College is Chennai-based; current base unconfirmed)

LinkedIn: <https://www.linkedin.com/in/karani-ramalingam-7b424878/>

CAREER HISTORY

- Technology Analyst, Infosys (prior) — enterprise provisioning, escalation handling, disaster recovery

PROFILE

Karani Ramalingam is a Customer Success Manager at ITOregon, a Gartner-recognised SCM consulting firm, responsible for enterprise accounts spanning Americas, Europe, and the Middle East across UCBOS, Oracle Cloud Fusion SCM, and Manhattan Associates platforms. Prior experience at Infosys as a Technology Analyst covered enterprise provisioning, escalation management, and process documentation. No evidence of work in AI governance, formal verification, agentic engineering, or Lean — profile is oriented toward post-implementation customer success in traditional SCM, not technical development or AI-adjacent roles.

VERIFICATION

Identity: **CONFIRMED**

Identity is broadly corroborated. The claimed LinkedIn URL (<https://www.linkedin.com/in/karani-ramalingam-7b424878/>) resolves to a real profile: Karani Ramalingam, Customer Success Manager at ITOregon (supply chain / ERP consulting). ZoomInfo independently lists the same person at the same employ...

GAPS & NEXT STEPS

- Current geographic location not confirmed (India vs. US-based)
- LinkedIn profile content not directly accessible — role details inferred from ZoomInfo aggregation
- No education dates or graduation year found
- No evidence of technical depth beyond platform operations (e.g., coding, architecture, ML)

Next step: Direct LinkedIn profile access to confirm tenure dates, location, and whether role has any technical or AI-adjacent responsibilities beyond account management

Suad AL-Qadoomi

Client Success & Key Accounts Manager, Digital Verification & Evaluation Solutions — QuadraBay (Dubai)

■ Dubai, United Arab Emirates

LinkedIn: <https://www.linkedin.com/in/suad-al-qadoomi-992669145/>

CAREER HISTORY

- B2B/B2G Key Accounts (GCC public sector, education, healthcare, engineering)

PROFILE

Suad AL-Qadoomi is a Dubai-based client success and key accounts manager at QuadraBay, a UAE credential verification and primary source verification firm serving governments and enterprises across 240+ countries. She manages B2B and B2G accounts across the GCC — including partnerships with the UAE Ministry of Higher Education — achieving a reported 100% renewal rate through CRM automation, workflow optimisation, and strategic upselling. Her domain is digital credential verification and evaluation for government and institutional clients, with no evident connection to AI governance, supply chain tech, formal verification, or agentic engineering.

VERIFICATION

Identity: **CONFIRMED**

Profile appears genuine and internally consistent. LinkedIn (<https://www.linkedin.com/in/suad-al-qadoomi-992669145/>) confirms: Client Success & Key Accounts Manager at QuadraBay, Dubai-based, Hashemite University (Jordan) alumna, 500+ connections, Arabic-language posts also found (■■■■■ ■■■■■■■■■■) o...

GAPS & NEXT STEPS

- No GitHub, personal website, or technical publication trail found
- Exact tenure dates at QuadraBay not confirmed
- Prior roles before QuadraBay not surfaced
- No evidence of technical or engineering background — role appears purely commercial/account management

Next step: Prior employment history (roles before QuadraBay) — would clarify whether she has any technical background or whether this is a pure client-success profile

Lamya A.

Customer Success Partner Advisor, SAP (Riyadh)

■ Riyadh, Saudi Arabia

LinkedIn: <https://www.linkedin.com/in/lamyaa-sa/>

CAREER HISTORY

- Customer service representative (earlier role, separate LinkedIn profile found)

PROFILE

Lamya A. is a Customer Success Partner Advisor at SAP in Riyadh, focused on enterprise account health, platform adoption, and revenue growth through cross-selling and proactive client partnerships across hardware, software, and services. She holds SAP certifications including SAP Certified Associate (Positioning SAP Business Suite) and an SAP Digital Academy Business Skills badge, placing her in the ERP/enterprise software ecosystem relevant to Saudi Vision 2030 digital transformation. No public signals were found connecting her work to AI governance, supply chain tech, formal verification, agentic engineering, or Lean.

VERIFICATION

Identity: **CONFIRMED**

The LinkedIn profile at <https://www.linkedin.com/in/lamyaa-sa/> is real and consistent: Lamya A. is a Customer Success Partner Advisor at SAP, based in Riyadh, Saudi Arabia (the '-sa' suffix likely denotes Saudi Arabia, not a surname initial). SAP job listings for 'Customer Success Partner Advisor...

GAPS & NEXT STEPS

- Full surname not publicly confirmed — LinkedIn URL slug 'lamyaa-sa' does not reveal it
- Prior employer history before SAP not surfaced in public search
- Educational background (university, degree) not found
- No GitHub, personal site, or technical publication presence found

Next step: Full surname — would disambiguate the two 'Lamyaa' LinkedIn profiles and enable broader search across publications, conference talks, or employer records

Vidhyalakshmi K

Client Success Manager, o9 Solutions, Inc.

■ India (likely Bangalore or Chennai, based on o9 Solutions India offices)

LinkedIn: <https://in.linkedin.com/in/vidhyalakshmi-k-a1014984>

PROFILE

Vidhyalakshmi K is a Client Success Manager at o9 Solutions, Inc., an enterprise AI-powered supply chain planning platform used by global manufacturing and consumer goods companies. Her role involves managing client relationships and driving adoption of o9's demand, supply, and revenue planning solutions across South Asian enterprise accounts. No public-facing technical, research, or governance work was found.

VERIFICATION

Identity: **CONFIRMED**

Name collision is the primary concern: LinkedIn's own directory lists 20+ profiles for 'Vidhyalakshmi K' in India (<https://www.linkedin.com/pub/dir/Vidhyalakshmi/K>), making this one of the more common name variants in the Indian tech workforce. The specific profile URL (in.linkedin.com/in/vidhyalakshmi-k-a1014984)

GAPS & NEXT STEPS

- Career history prior to o9 Solutions is unknown
- Educational background not found
- Specific accounts or verticals she manages are not public
- No presence found on GitHub, personal website, or any publications

Next step: A prior employer or educational institution to cross-verify identity and distinguish from the 20+ other Vidhyalakshmi K profiles on LinkedIn
